After his departure for El Paso, wired to be doubt was expressed last

J. W. Bennie, a British subject, duly registered at this Consulate, formerly of Clifton, Arizona, desires to go to Arizona to confer with you. There is a warrant out against him for a felony in Arizona. Will you please guarantee that he will not be molested or detained and be allowed to return in peace to El Paso. Governor Hunt's reply was in these

In answer to your telegram requesting, in behalf of J. W. Bennie, a duly registered British subject, permission to come to Arizona for the purpose of conferring with me, I aver that I have no official information of any felony charge against Mr. Bennie, and accordingly advise you that so far as is legally within my power his journey unmolested to and from Phoenix and during his stay in this city is assured, assuming of course, that he violates no law of this state or the United States.

CLIFTON, Ariz. Oct. 5.—Sheriff James G. Cash, Major H. H. Donkerslev and Adjutant General Charles attacked last night, was open to attacked last night, attacked last night, was open to attack to attacked last night, was open to attacked last nigh course, that he violates no law of this state or the United States. I It is presumed nere they will ask board of trustees. Risden said he and Charles Alt, and Glen Coffey. ## TO ASK APPROVAL OF BIG NAVAL BUILDING POLICY

ontinuing of the navy building policy will be worked out from this figure. Was not disclosed. The proposal has been discussed by Secretary Daniels, the president and chairman Padgett of the house naval committee.

Secretary Daniels explained no defiite decison had been reached. He indicated he favored the plan. The navy general board for many years has computed construction estimates on a basis imilar to that suggested but the proposal to write the plan into the approbuilding policy has never received the approval of the secretary of the navy. Secretary Daniels declared if the policy degree of accuracy.

Congress will be asked also to make feel moved to continue the sending of WASHINGTON, Oct. 5.—Congress a more liberal provision for reserves of teurists over that route. He stated that will probably be asked to approve the ammunition than ever before has been the company was doing the county and first class battleships.
